

The Foundation for Mott Community College

BEAR MORE FRUIT
2008 Annual Report

12

REASONS MCC IS THE

There are so many advantages to a Mott Community College education—and every student has their own favorites—that we can't list them all. But throughout this Annual Giving report, you'll find a sampling of the ways MCC benefits students who make the smart choice...

SMART

1 *You don't have to leave town to get your career moving in the right direction. Make the smart choice.*

CHOICE

2 *Over 90% of MCC graduates find well paying, satisfying jobs in their fields of interest. More than 1,600 Michigan companies hire MCC graduates. Co-op and internship opportunities offer hands-on experiences in numerous fields.*

MCC :

THE SMART 3

MCC's open-door policy and flexible scheduling make going back to school a smart choice. Our day, evening and weekend classes fit into any schedule. There's no time like the present to enroll.

CHOICE... 4

Each year over 10,000 students make the smart choice.

MCC students find these support services helpful...

- Career assessment tests & career counseling.
- Free use of our computer labs and free Internet access.
- MCC was the first community college in Michigan to offer five complete degree programs through Distance Learning.
- Life-long employment services for MCC grads.

For several years, we have used a theme of “Bear More Fruit” for the annual report, including this one, bearing the likeness of MCC’s bronzed mascot guarding the Ballenger Field House. Not only is he a formidable Bruin Bear, but we believe he epitomizes our school spirit — and the community spirit that made his existence even possible. Your financial gifts allowed our Fine Art students and faculty to sculpt the life-size bear standing high on his rear legs as a testament to the quality of the programs at Mott as well as to the continuing support of the Flint community.

CAMPUS

LIFE MORE

“BEARABLE”

BECAUSE

OF YOU

The Bruin Bear statue grew from an alum’s desire for a visual reminder of MCC’s rich legacy. We believe he enhances and beautifies the campus, and also engenders school spirit amongst students, faculty, staff, alumni, and the community at large. The statue is expected to become a rallying point for students and, as a work of art, draw visitors to the campus. The Bruin Bear motif was chosen based upon MCC’s superior athletic program that has been a constant at MCC for more than 60 years.

The total budget for producing the Bruin Bear Statue was \$35,000. The Ruth Mott Foundation has provided a matching grant to cover half of those costs, which includes all phases of the construction, bronzing and erection of the statue. No faculty or student fees were incurred.

Now that’s bearing fruit!

As

I stood watching our MCC cheerleaders generate even more excitement at the unveiling of the bronze Bruin Bear statue last month, I couldn't help but think that this looming mascot stands as a wonderful reminder of the giving spirit of this community. The creation was no easy feat, taking students several years to complete. The total cost was \$35,000, provided by The Ruth Mott Foundation, Judge Thomas & Magdalene Yeotis and The Bruin Club, because they understood the importance of building tradition on our campus.

There were times when the end of the Bear project seemed to loom in the far distance without a completion date in sight. There were times when Art Instructor Cathy Smith had to go back to the drawing board to design a stronger structure for the weight of the clay. The design changed again when it was discovered that the original bear hair would never make it through the bronzing process. And still she pressed on, using the setbacks as a real life course in what artists may face at least once in their careers.

Ironically, this nation is learning to survive in a historic bear market, described by economists as one of the most challenging economic times of our era. The challenges are real and the impact is certainly being felt in the halls of Mott Community College. We, too, must look at our structure under the weight of this economic condition. Will we be able to withstand the heat of the days ahead as we, along with all other Michigan colleges and universities, deal with our economy?

BEAR

SYMBOLIZES

SPIRIT OF

GIVING

TO MCC

I am convinced we will be able to meet the challenges, especially as I look upon the Bruin Bear now standing in front of the Ballenger Field House. I know that the people of this community have built this college and its programs with their own hard-earned dollars and ingenuity. This Annual Report bears the names of those who have given sacrificially. It is with my deepest appreciation that I thank you for supporting Mott College and its Foundation in such a generous way.

In the coming months, our focus will be upon the community aspects of MCC rather than making multiple requests for financial support during these economically challenging times. While finances are tight for everyone, we simply ask that during the 2008–09 academic year, you will consider a pledge to the Foundation to be paid in full when our economy recovers from this storm. If you prefer to consider a planned gift to be designated to us in the future, that would be appreciated as well. We are the community's college and will be here when times are better for our city and county.

On behalf of the Foundation for MCC and its board of directors, I thank you in advance for considering a pledge or a legacy gift — and please, stop by and check out the MCC Bruin Bear.

Sincerely,

Lennetta Coney
President, Foundation for Mott Community College

ENCORE! CHARITABLE IRA LEGISLATION PASSED

Great news!

The IRA Charitable Rollover has been renewed and extended to December 31, 2009, so you can still make a gift. This provision offers a wonderful way to support scholarships, research or other MCC programs that are important to you.

About the legislation:

- Exclusively for donors who are 70 1/2 or older
- It's a simple, one-step distribution from your IRA to the College
- Charitable IRA distributions are limited to a total of \$100,000 per year
- The gift counts toward your required minimum distribution for the current tax year
- Your taxable income is not affected, because no taxes are due on the distribution
- You can still make a gift through Dec. 31, 2009

To ensure that you don't miss this limited-time opportunity and to find out more, please email lennetta.coney@mcc.edu or call 810.762.0425.

MCC :

THE SMART CHOICE... 5

Mott College is on the cutting edge of the latest technology. The Regional Technology Center (RTC) at MCC will put you at the center of the high-tech revolution, from automotive services, computers, electronics and fluid power to mechanical engineering technology and robotics.

6

Our athletes compete nationally, and we have the trophies to prove it. Why sit on the sidelines when you can win a game at the buzzer at MCC? Or outrun the field in cross-country? Or excel on one of our baseball, softball, volleyball, or golf teams?

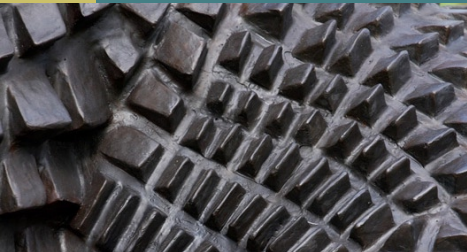

MCC :

THE SMART CHOICE...

7 *Mott Community College offers multiple ways to pursue a successful career. Our two-year transfer programs really add up. **2-YEAR MCC + 2-YEAR UNIVERSITY = 4-YEAR BACHELOR'S DEGREE***

- *Our two-year degree programs can get you working in no time.*
- *One-year certification programs can enhance present skills or help you acquire new ones.*

8 *MCC transfer students do better at four-year institutions. Research shows that MCC students have a higher grade point average at graduation from Kettering University, Michigan State University and University of Michigan-Flint than students who started out at the same schools as freshmen.*

MCC :

THE SMART
 CHOICE...

9

Your two years at MCC are as good as gold if you transfer to a four-year college. A good education is a precious commodity these days. Many students get their careers off to a solid start at MCC, and then transfer to any number of colleges and universities to complete their education.

10

Our small class size means you'll be seen and heard. You'll appreciate learning in an atmosphere that promotes interaction on a one-to-one basis.

MCC :

THE SMART 11

You'll learn from a committed faculty, not graduate students or teaching assistants. You're coming here to learn; we're here to teach. So prepare yourself for a top-notch education.

CHOICE... 12

It doesn't cost an arm and a leg to motivate your brain cells. In fact, you can apply to MCC for free! MCC keeps tuition costs down to make it affordable to go to college. When you factor in our scholarship and financial aid options, MCC really is a smart choice.

PLANNED AND DEFERRED GIFTS

In addition to making cash gifts and pledges to the Foundation for Mott Community College's Leaving a Legacy of Education Initiative, you may also wish to secure the future of the College through a special gift arrangement. Please indicate if you are interested in more information on any of the following:

Gift by Will

Charitable Trust

Personal Property/Real Estate

Insurance

Retirement Fund

We will be glad to work with you and/or your advisor(s) to construct a special gift that will provide significant tax benefits for you and your family.

Would you be interested in attending a seminar on planned and deferred gifts? Yes No

MATCHING GIFTS

Many employers will match the gifts of their employees (and often their spouses) for charitable gifts to an educational institution. If you know your employer has a Matching Gift Program, please obtain a Matching Gift Form from your employer's personnel office and submit it with your gift. In most cases, your employer will match the gift on a one-to-one ratio, enabling you to double or triple your gift to Mott Community College. If you need assistance in determining the matching gift policies of your employer, please contact the Foundation for Mott Community College.

Thank you for your support by Leaving a Legacy of Education to Mott Community College.

Please fill out form and include in the provided giving envelope with your donation.
