Senior Year	X	X	X	Limited To 6 *	6

\* Students starting dual enrollment in their Junior year are limited to 6 courses per academic year. However, the student cannot exceed a total of 10 courses between Junior and Senior year.

Courses cannot be in the subject area of hobby, craft, recreations, physical education, theology, divinity or religious education—including but not limited to Philosophy of Religion.

## 9th & 10th Grade Additional Requirement

Students in **9th & 10th** grade will be required to go through a more rigorous admissions process to ensure a successful college experience. After completing the college requirements as outlined in the brochure, additional documentation will be required. Please contact the MCC Admissions Office for further details.

## HOW TO SUCCEED

To be successful in college, students must be ready for work that can be much more rigorous compared to regular high school studies. Dual enrollment grades become part of the permanent college transcript so students need to consider future plans and outcomes.

# WHAT IS DUAL ENROLLMENT?

The dual enrollment program allows eligible high school students to earn college credit while still attending high school. College credits earned through dual enrollment may often be applied toward high school graduation requirements!

## ADVANTAGES

- **Save money** –many school districts will pay the full tuition cost
- **Get a jump start** on college courses
- **Earn** high school and college credit at the same time
- **Earn college credits** that may easily transfer to other colleges both in and out of state
- **Explore career** and interest options
- **Access** college resources, facilities, and services

## CRITERIA

- Must be a high school student
- Must possess a cumulative high school GPA of 2.5 or greater
- Must receive approval from a parent/legal guardian, HS counselor, and your principal to participate in the program
- Must meet with high school counselor to discuss requirements and eligible courses.
- Junior/Senior level students may register for 3 courses per semester

## COLLEGE REQUIREMENTS
