

**Articulation/Alignment Agreement  
Genesee/Shiawassee Consortium  
Mott Community College  
2013-14 through 2015-16**

The purpose of this agreement is to facilitate the transition of students from the high school occupational and/or Career & Technical (CTE) program to a related program at Mott Community College.

**School Name:** Davison High School

**District:** Davison Community Schools

Mott Community College will award articulated credit to students for the secondary course(s) according to the conditions/requirements listed below. This credit applies only to MCC degrees and certificates (may not transfer to other institutions). This agreement is valid until date of discard below.

**Conditions and Requirements:**

All students requesting MCC credit must have instructor recommendation and must meet the following conditions:

1. Students must enroll at MCC and apply for articulated credit within two years of high school graduation.
2. Students must enroll in a related Program of Study for credits to apply to an associate degree or certificate.
3. Recommendation for credit at Mott will be determined by the teacher recommendation in the **CATEMA™** software system. The student will inform the MCC advisor or program coordinator of their intention to use the articulated credit when they develop their course sequence during the admission and registration process.
4. Students shall meet and maintain entrance requirements of MCC and the intended program of study.
5. Students must earn a minimum of 30 college credits at Mott to qualify for an Associate degree and a minimum of 20 college credits for a Certificate. No more than 50 percent of credits required in specialized course work, unique to a program, can be transferred and applied toward graduation from MCC.
6. Articulated credit will be posted on the student transcript upon completion of the above requirements and successful completion (3.0 or better) of one additional course in the program.

Tuition will not be charged.

No grades will be recorded for articulated courses.

For the purpose of students enrolling and receiving articulated credit, this agreement remains effective for two additional years after expiration date to permit student access to agreed upon credits.

The Program of Study (2 + 2 program alignment/sequence of courses) and documentation of secondary instructional delivery/segments is available for review at the secondary site.
