### *MCC-SNA news:*

- ***NEEDED!!!!A few volunteers to help area Girl Scouts earn their Explorer patch at Genesys***

Genesys has asked the Mott Community College Student Nurse Association to explain what it is like to be a student nurse. To earn this patch the girls MUST talk to a student nurse. I have ordered color books, a DVD etc, but now I need volunteers to come for a period of about 2 hours at a time to talk to girls and boys-(there will be some Webloes there too). I am working on some release time for you. Genesys really needs your help, and we need these boys and girls to start to think about Nursing as a career. Please see the sign-up sheet in the classrooms. ***Date:*** Saturday, October 21, 2006

***Time:*** From 8:00am to 12 noon and from 12-4. At 2 hour intervals.
