MCC-SNA news:

- ***New NRSNG 101 Student Nurse Orientation***

Tuesday, August 29, 2006, two members of the Mott Community College Student Nurses Association (MCC-SNA) talked to students starting their clinical rotations about the club. Heidi Behlen and Jessica Oskey talked about the benefits of belonging both from a college and classroom point of view and from the bigger picture. (Jessica is on the state board and involved in learning about the condition of the nursing profession all around the state and country.). A big thank you to these two students! The new students filled out forms and are entered on the list serve.
