 - Students who **withdraw from college** are recommended to see a counselor in the Counseling Center, PCC2030. Students are still required to complete a [class schedule worksheet](#) listing the classes from which they are withdrawing.

A student may withdraw from a class at any time prior to the 90% point of the semester or session. A withdrawal before the “Date of Record” means there is no record of enrollment. A withdrawal after the “Date of Record” but before the last week of the semester means a “W” grade. A “W” grade will be listed on the student’s grade report/transcript if the withdrawal occurs after the Date of Record as listed on the Academic/Registration Calendar.
 - To be **eligible for a tuition refund** classes must be dropped within the tuition refund dates, which are listed in the [course schedule book and available on the web](#).
- [Academic Integrity/Copyright infringement](#)
