

More Counselors Available!

HelpNet is bringing some exciting changes that will benefit **YOU!**

Advantage Network: HelpNet now leases one of the nation's largest networks of licensed Master's level counselors ever assembled. Regardless of where your employees reside, they will have access to over **27,000** providers coast-to-coast. Easier access to care will result in higher program utilization, resulting in improvements in overall job performance as well as increased return on investment.

Advantage 24: HelpNet's after-hours calls are now answered by Master's Level, licensed clinicians, 24/7/365. If there is a crisis anytime of the day or night, rest assured it will be expertly handled by an experienced behavioral health professional!

New Network of Counselors and Clinicians for After Hours Calls!

HelpNet's new and improved system is here to help YOU!

- Immediate assistance from Master's Level clinicians after hours, 24/7
- A diverse group of counselors in more locations
- Extended hours of counseling availability
- As always...strictly confidential!!
