

Aetna Continues to Lead the Way

FORTUNE

FORTUNE Magazine named **Aetna** as the most admired company in the **Health Care: Insurance and Managed Care** category for **2008**. FORTUNE ranks companies in industry sectors in eight categories, according to their peers. We achieved the highest overall ranking among our peers by placing **first** in people management, quality of management, quality of products/services and use of corporate assets.

UBS

According to the *5th Semi-Annual UBS Benefit Consultant Survey* released from UBS securities in early October 2007, "**Aetna** received the **top average score across all categories** of our company report card (including network, service and utilization management), **the first time this was achieved by any plan.**"

NBGH

The National Business Group on Health named **Aetna** a **2007 winner of its Behavioral Health Awards** for commitment to helping workers and their families cope with mental health and substance abuse disorders.

Consumer Reports

Aetna IntelliHealth®, a health information website for consumers, **was rated "Excellent" by Consumer Reports Webwatch and the Health Improvement Institute** in July **2007**. Excellent is the group's highest rating.

NCQA

Aetna is the **first national insurer** to receive NCQA accreditation for its PPO health plans.
