

Finding a HealthPlus Provider

Finding a PPO Provider

1. To find a HealthPlus provider, go to the HealthPlus website at www.healthplus.org and click on Find a Doctor/Hospital
2. If you have selected a PPO plan, or a plan that does not require a primary care physician (PCP), selected **HealthPlus PPO**.

3. Once you select **HealthPlus PPO**, you will be prompted to **Select your State**.

4. If you select a state other than Michigan, you will see an icon for a provider network in that state. Click the icon to go to that online provider directory.

Click the link below to search the provider network:

5. If you select Michigan, you will have the option of searching the **HealthPlus PPO** network or the **Cofinity** network. Click the icon to go to that online provider directory.

HealthPlus PPO members have access to health care providers in both the HealthPlus PPO network and the Cofinity network at in-network rates. If you do not find your provider in one directory, try searching the other.

If you experience any difficulties finding a provider or using the provider directory, please call the HealthPlus Customer Service Department at 1-800-332-9161, and a HealthPlus Customer Service representative will assist you.
