

Employee Assistance Program Changes and Expanded Services

Effective immediately  has expanded their EAP services to Mott Community College employees and their immediate family members.

You will now receive the following:

Advantage Network - Over 27,000 Master's Level EAP counselors available so wherever you are, coast-to-coast, you will have more counselors and increased appointment flexibility.

Advantage 24 - HelpNet's after hours calls are now answered by Master's Level, licensed clinicians, 24/7/365. If there is a crisis anytime of the day or night, rest assured it will be expertly handled by an experienced behavioral health professional!

Work Life Web - Features include:

1. An extensive library of articles and tip-sheets on parenting, care-giving, work life balance and much, much more
2. Self-search resources for child care, elder care, volunteering, camps
3. Savings Center for discounts on name-brand merchandise and tickets
4. Downloadable legal documents
5. And so much more....

Check it out!!!

There is no change to your current services. You will still receive short term, solution-focused therapy free of charge with a Master's Level counselor who will help you navigate all of life's challenges.

HelpNet is there for you and your family and eagerly awaits the opportunity to serve you. Just call anytime, day or night!
