DAVID SCHAAF

David Schaaf, Adjunct Faculty-Technology & Advisor-Counseling, has been selected as Employee of the Month for November 2008

Comments about David include:

- ◆ To staff working in the Advising Center, Dave is known for his professionalism and willingness to go the extra mile for students. He never exudes stress or impatience when working with students regardless of their advising needs.
- ◆ Dave has been a member of the "Degree Audit" AQIP Committee for more than two years. In fact, he served as one of the three Team Leaders for this important quality improvement initiative.
- ◆ As a part-time employee, Dave exudes the accountability we expect from our full-time faculty. He is a "can-do" employee who utilizes his own resources to improve the quality of education available at Mott Community College.

The presentation to Dave was delayed due to inclement weather and the holiday break.

CONGRATULATIONS, DAVE!
