KATHLEEN GOODROW

Kathleen Goodrow, Administrative Assistant - Library Services, has been selected as Employee of the Month for January 2009

Comments about Kathleen include:

- ◆ Kathleen epitomizes what every library staff member considers their mission - to work to provide outstanding library service to the students, faculty, staff and community. She has an overall view of what is important to supporting the work of the library staff and works each day to make it easier for others - from payroll, to purchasing, to informational brochures, or newsletters - she does it all willingly and with an awareness and excitement of what it means to the library users.
- ◆ Kathleen never says never. She has great ideas that translate into action. Her work with the Friends of the Mott Library is one indication of that dedication. Her abilities are put to work in all that the Friends do to support the library through fundraising and educational programming. She is well-respected by everyone on the Friends' Board.
- ◆ Kathleen puts herself in others' shoes and is able to work collaboratively to make a project, event or initiative successful. She knows people throughout the College and has volunteered to be a part of the greater campus community in efforts like the recent Bear Bistro opening - two of her entries were chosen as names for menu items!

CONGRATULATIONS, KATHLEEN!
