

## **Congratulations go out to...**

**Debbie Killian**

**Great Job Debbie!**

Debbie Killian, Administrative Assistant - Fine Arts  
Employee of the Month for June 2008\*

Comments about Debbie include:

- ◆ Debbie works very well with the faculty, staff, students and the public. She is always polite and friendly to everyone; her customer service deserves an A+.
- ◆ She will frequently take care of something for a student herself rather than sending them to some other department to wait.
- ◆ Things in Fine Arts do not tend to "fall through the cracks." Debbie is always aware of the big picture and manages her time well to make sure all the parts and pieces get taken care of when needed.

\*The presentation to Debbie was delayed because she does not work part of the summer.

**CONGRATULATIONS, DEBBIE!**
