Sherry Weeder

Great Job Sherry!

Sherry Weeder, Administrative Assistant - Learning
Center & Disability Services
Employee of the Month for July 2008

Comments about Sherry include:

- ◆ Sherry always puts students' needs first. The Learning Center is truly about student needs. Any given day, she could be on her own lunch or break and will stop in order to make certain that a student has what they need.
- ◆ Whenever a situation arises, Sherry is the individual who will research the problem, whether it is with a vendor payment or a student who was supposed to take a test and did not. She will find out how the incident happened, how to fix it and how to prevent it from happening again.
- ◆ Sherry knows each service that she provides and understands the importance of all of them. She is able to prioritize and make certain everything gets done in the allotted time frame.

CONGRATULATIONS, SHERRY!
