

Attached please find a link to TIAA-CREF's two newest webinars, "**Staying on Track in a Volatile Market**" and "**A History of Strength and Stability**". To access the webinars simply copy and paste this link to your address bar.

<http://www.tiaa-cref.org/support/index.html>

Here's a brief overview of each webinar:

Staying on Track in a Volatile Market

- Current economic outlook
- Understanding equity market volatility
- Identifying opportunities during downward moving markets
- When to consider rebalancing or reallocating your portfolio
- Importance of asset allocation and diversification
- How to get started

A History of Strength and Stability

- An overview of TIAA-CREF's history of serving participants
- Strength and stability
- Commentary on recent market events, including:
 - Impact on our portfolios
 - Our low subprime credit exposure
 - Suggestions for volatile times
