

One Stop Shopping....

It's never been easier to get books, videos, and CD's!

With MelCat, find books and more in libraries throughout Michigan.

In a nutshell, MelCat is a new version of Interlibrary Loan. Unlike the Interlibrary Loan, where an exact title is needed, MelCat has the ability to allow searches. MelCat displays listings which include not only books, but audiovisual materials as well. Once a selection is made, choose Mott Library for the Home Library location. You will need to enter your barcode which is the 14 digit number from your Mott student ID card. After receiving the material, we will contact you for pickup. The turnaround time is usually within five business days.

But wait, there's more!!! Starting this Fall semester Mott is participating in the **Intraloan** program with Baker and Kettering. What is the **Intraloan** program? It allows Mott students to request items from Baker and Kettering using the PALnet catalog.

The online catalog consists of books and materials from not only MCC, but from Baker College and Kettering University as well. If an item is not available at Mott, beginning this fall, requesting the item online from Baker and Kettering will be as easy as clicking a button — **Request Item**. The material arrives at the Mott Library in 2 to 3 days (for most items).

Notice Our Notices

Most library books may be checked out for 3 weeks, with one 3 week renewal available. Overdue materials are charged a late fee of 25¢ for most items; specific items are 50¢ per item daily.

Something new: Notices for overdue items are sent to your Mott e-mail account. We no longer send paper notices for the 1st and 2nd overdue notices.

Tip of the day: Program the due date of your checked out material on your phone or PDA.
