

# Simulation Expo II....

**Cutting-edge health science education technology!**

Presented by the Simulation Committee of Mott  
Community College

**FIND..... New, easy to use, ready-made scenarios**  
**SEE.....Patient safety strategies incorporated**  
**USE.....Computer animated simulation**  
**WIN .....Free Simulation text or software**  
**DISCOVER.....The new on-line simulation course for faculty**  
**LEARN.....Best practice in debriefing**  
**VISIT .....Cory Winter's live simulation display**  
**SATISFY .....Four hour advisement obligation**  
**EARN..... CEU (pending approval)**  
**LEAVE .....With usable handouts and job tools**  
**JOIN US.....For snacks and drinks**

Simulation Expo II Objectives:

Participants will

1. Perform a micro simulation
2. Participate in a macro-simulation
3. Acquaint selves with newest simulation equipment
4. Differentiate between effective and ineffective debriefing methods
5. Describe elements of teamwork and communication to promote patient safety
6. Identify methods for further faculty development in simulation

**When:**.... Wednesday, August 27, 2008, 9:00am-11:30 am,  
(Does not conflict with Dr.Fugate's lunch and afternoon faculty meeting)

**Where:**.... Mott Community College, Curtice-Mott, room 2204 (Lab)

**Please RSVP** to Bernadette Coleman 232-6592
