**The International Society for the Scholarship of Teaching and Learning  
Sixth Annual Conference  
October 22-25, 2009  
Bloomington Campus, Indiana University  
Bloomington, Indiana**

The theme of "Solid Foundations, Emerging Knowledge, Shared Futures" invites scholars of teaching and learning from around the world to share their evidence-based insights and theoretical frameworks for how to teach today's students to be tomorrow's most prepared citizens.
