Professional Development Opportunities

**National Institute for Staff and Organizational Development (NISOD)
Webinar Series**

Looking for quality year-round professional development opportunities? Through NISOD's Webinar Series, the nation's leading educators are eager to share their in-depth expertise? The NISOD Webinar Series is a new membership benefit free to all NISOD-member colleges (MCC is a NISOD member).

NISOD has partnered with Adobe to create a rich and engaging Webinar environment through the combination of powerful expertise with an interactive environment. Each Webinar will be delivered using Adobe Connect Professional, easy-to-use software with no special downloads required—all a participant needs is a Flash-enabled computer and access to a phone. All NISOD-member colleges are welcome—we hope that you take advantage of this new member benefit! As stated above MCC is a NISOD member. The schedule of NISOD Webinars and registration information can be found at:
