Introducing New HR Staff

The Human Resources Office has three new additions to its staff.

Jeri Putman started work on January 19th. Jeri is the new Assistant HR Director and has responsibility for all day to day operations, including the staffing function, records, and counseling supervisors and employees. Jeri can be reached at x20286.

Amy Shaw is our full-time recruiter and staffing manager, responsible for all activities related to hiring and filling vacancies. Most of her time is spent recruiting and working with managers and interviewing committees. Amy can be reached at x20449.

Katrace Gillens greets visitors to the office and is our initial point of contact for callers. Of course, she does many other things, with special focus on tasks related to the staffing function (scheduling interviews, placing ads, etc.). Katrace can answer most of the routine questions asked by employees and candidates and can direct you to the person in the office with the most expertise for your more specific questions. Katrace can be reached at x20565.

In addition, Alasha Smith-Thomas is temporarily filling in for Dolores Hurley. Alasha can be reached at x20275.

The College may decide to close the campus during inclement weather. At such times, you can check on whether or not the College is closed by calling (810) 232-8989.

- Part-Time & Adjunct Faculty: Equal to the number of credits taught for two years, minus those used
- Part-Time Staff: Depends on your bargaining unit – usually prorated based on the number of hours worked.

Tax Deferred Purchase

Our College has been approved by MPSERS to participate in its new benefit program, called TDP (which stands for Tax Deferred Purchase of retirement credit). With this program, employees participating in the School Employees defined benefit retirement program can purchase, at their expense, using pre-tax dollars, certain types of pension service credit. We will publish full details in the next several days, but if you need immediate assistance, please contact Susan Praski at x20503.

For the 403(b), $10,000 per year is the maximum allowable contribution to your tax sheltered annuity.

The social security taxable wage base has increased by $4,200 per year. This means you are taxed, for social security purposes, on the first $72,600 paid to you in wages.

The OASDI portion of taxes consists of social security and medicare. In total, both you and the College pay 7.65% of wages paid. However, for social security, you only pay based on the first $72,600 of wages. The medicare rate is charged against all wages; there is no ceiling.
