

SUMMARY OF CPSC ACTIONS
March 28, 2008

Item	Action	Comment
Minutes of February 22, 2008	Minutes	Approved as printed.
March 2008 report from the DLAS	No report	Did not meet
March 2008 report from the ACS	Received for Information	SUMMARY OF TOPIC(S) REVIEWED: I. ACAD meeting times : A brief discussion about possible times for ACAD meeting was discussed. The new time 3pm the 3rd Thursday of the month starting in Sept 08 was proposed and approved by vote. I. Turning Technologies Aka clickers: A brief demo was held highlighting the new "clickers" that will be available from AV delivery for use in classroom. We will be holding workshops during fall welcome back or individually before then. Please contact Randy Schapel @ 810-762-0321 for arrangements for demos. We hope to have these ready for classroom use over the next month. III. Student Email system upgrades: Academic computing is looking into upgrading the student webmail system. We are looking at using gmail from google as a solution for this need. We are currently alpha testing this product and will roll this into a beta test to get faculty/staff/student feedback on its usability. Look for this over the next couple of weeks, we'll need your input!
