Information

Courses Under 100 Level and College Credit Issue	Approved
Effective July 1, 2010, remedial courses (those courses below the 100 level) will no longer be counted toward any of the college certificates or degrees we offer. They can continue to count toward a student's status as full-time or part-time and receive financial aid within the guidelines of the Department of Education.	Summer 2010
CSMO Course Credit/Contact Hour Redistribution	Approved
The Curriculum Subcommittee approved adding StrengthsFinders assessment and activities to all the CSMO theory classes along with the added credit/contact hours. CPSC requested the credit/contact hour increases be redistributed as modeled by other Mott lecture/lab series courses. This memo lists the requested Cr./Ct. hour changes to the lecture course and their corresponding lab courses.	Winter 2011
Occupational Therapy Assistant Program	Approved
The OTA Program faculty would like to change the admissions requirement for reading comprehension.	Summer 2010
ECEN-125 The Child in the Family Unit	Approved
The removal of a prerequisite in ECEN-126 was approved in April 2010. ECEN-126 was a typo. The memo should have read ECEN-125.	Spring 2010
