Action Item

DLAS Memo - Seat Counts for All Distance Learning Sections

The memo stated that DLAS had withdrawn their original memo from April 19, 2019 regarding distance learning section seat counts. The DLAS subcommittee was not interested in taking on the seat count study at this time. CPSC refused to hear the request to rescind the DLAS memo from last month. The original memo from the DLAS committee, dated April 19, 2019, still stands that DLAS is to do the study on e-Learning seat count and to make recommendation to CPSC.
