

AQIP Project Kick-Off Meeting Student Mentoring

Welcome and Thank You

Overview of AQIP Action Projects

Institutional Self-Assessment and Improvement Process required to maintain Higher Learning Commission accreditation

AQIP – Academic Quality Improvement Program

Quality Improvement Cycle – 3 active projects at all times

Originally 3-year projects, now smaller in scope with shorter timeframes

Projects should . . .

- Make a serious and visible difference to institutional performance
- Embody challenging but attainable goals
- Stretch the institution in new ways
- Focus on both efficiency and benefits to students and other stakeholders

Choosing Student Mentoring as an Action Project

College Conversation Days

AQIP Retention Committee

AQIP Pathways Committee

What will the team do?

1. Develop an Action Project Charter (see template)
 - a. Documenting the work this team has already done and still expects to do
2. Define “Student Mentoring”
3. Identify and Prioritize Strategies
4. Identify Best Practices
5. Create Benchmarks
6. Determine Outcomes
7. Develop Recommendations
8. Establish a Timeline (Recommendation to Executive Cabinet by December, 2017)

When will the team meet?
