

## Special Edition: Coronavirus Communication 13

March 26, 2020

Good Evening:

It was great facilitating the All-Employee College Meeting today. We had 381 in attendance. I really do miss seeing all of you. The campus is really quiet. But I felt your presence and enjoyed the comments and questions that you submitted during the meeting. We had one question submitted just as I closed the session: "Are there any future discussions of potential salary/pay cuts from the COVID-19 epidemic?" There have been no discussions about or planned for potential salary/pay cuts due to the COVID-19 epidemic.

I literally just received the below thank you from Hurley Medical Center President and CEO, Melany Gavulic for the three ventilators we loaned Hurley.

"Thank you to our Mott Community College friends for helping us at Hurley out!! We appreciate it and most importantly the patients we are so privileged to serve will appreciate it. Thank you again for your generosity."

Human Resources sent out after the meeting an important email message that all employees should review. The message shares the employee benefits information presented during today's meeting about:

**Family First Coronavirus Response Act**  
**Emergency Family Medical Leave Expansion Act**  
**Emergency Paid Sick Leave Act**

Please don't forget to watch and participate in the State of MI: A Virtual Town Hall tonight at 7 p.m. on [woodtv.com](http://woodtv.com).

Looking Forward,

Dr. Beverly

Beverly Walker-Griffa, Ph.D.  
President  
Mott Community College
