At the close of each year the Art Faculty reviews work done in every MCC studio course. Literally thousands of works are presented to the faculty jury and from those pieces, the works shown in the annual exhibition are selected. Except to present the work, faculty members do not participate in jurying their own classes’ output. The exhibition is not intended to showcase the curriculum as such, but rather attempts to display the most outstanding work from the year based entirely on artistic merit. Consequently, not all assignments given in each course are represented in the show. In an effort to display the artwork of as many students as possible severe limitations are placed on the number of works any individual is allowed to exhibit from a particular course or instructional area.
Graphic Design students from ART 146: Typography & Type Design submit design proposals for the student show announcement. The Art Faculty review these proposals and the selected design serves as our student show announcement. This year’s announcement was designed by Jeremy Eads. This student is the recipient of the Student Show Announcement Award.
ART ACHIEVEMENT AWARD

The Art Achievement Award winners are identified by the faculty on the basis of outstanding artistic merit and achievement in several studio and graphic design areas. Students receiving this award have a notation of the honor placed in their permanent record at the college.

STUDIO ART

1st Year Award: KARL DELAGRANGE
2nd Year Award: CASEY CARTER

GRAPHIC DESIGN

1st Year Award: JEREMY EADS

This year the Mott Art Department lost a beloved mentor, friend and artist. Claude Miller spent many hours in the building providing guidance to the student artists and producing some beautiful work. He will be greatly missed by both the faculty and the students.

Claude was a real family man and a very good friend to many. His passion for being helpful has touched countless. Despite a very active life, his real passion was art. The above painting was the last painting Claude created before passing in January of this year.
Financial support for the Art Achievement Awards, Student Show Announcement Awards and Faculty Recognition Awards are made possible through a grant in memory of James C. Mumby. In addition, this 2014-2015 school year, the Mumby grant has funded approximately 160 Art Supply Stipends and a Freshman Scholarship.
The MCC Fine Arts Gallery hosts 8 exhibitions each year featuring Michigan artists who also present a lecture on their work for students and the public. The gallery is open from 9:00-4:30, Monday through Friday. Please visit the MCC Fine Arts website at www.finearts.mcc.edu or call the Art Office at 810-762-0443 for further information.
