The following costs are being charged/estimated in compliance with Section 4 of the Michigan Freedom of Information Act, MCL 15.234, according to MCC's FOIA Policies and Guidelines. If MCC is seeking a 50% deposit prior to providing the public records sought, the estimate is itemized on this form, lines 2-7 below.

of the requested material can be found at the following webpage(s):

If the webpage is all the information you need, it is provided without charge. If, however, you still wish to receive a copy of material from the webpage, please let us know. A copying charge will apply if MCC is required to produce copies of material from the webpage. (See section 4.)

2. Labor Cost to Locate Records Not on MCC Website:

This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. **This fee is being charged because failure to do so will result in unreasonably high costs to MCC because of the nature of the request in this particular instance, specifically:** _____

MCC will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in 15-minute time increments; all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

This shall not be more than the hourly wage of MCC's lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in **15 minute time increments**; all partial time increments must be rounded down. *If the number of minutes is less than one increment, there is no charge.*

5. Labor Cost for Separating Exempt from Non-Exempt (Redacting): Material Not on MCC Website

MCC will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to MCC that are excessive and beyond the normal or usual amount for those services compared to MCC's usual FOIA requests, because of the nature of the request in this particular instance, specifically: _____

This is the cost of labor of an **MCC employee**, including necessary review, directly associated with separating and deleting exempt from nonexempt information. This shall not be more than the hourly wage of **MCC's lowest-paid employee** capable of separating and deleting exempt from nonexempt information in this particular instance, regardless of whether that person is available or who actually performs the labor.

Deposit: Increased Deposit Due to Previous FOIA Fees Not Paid In Full

After MCC has granted and fulfilled a written request from an individual under this act, if MCC has not been paid in full the total amount of fees for the copies of public records made available to the individual as a result of that written request, **MCC may require an increased estimated fee deposit of up to 100% of the estimated fee before it begins a full public record search for any subsequent written request from that individual if ALL of the following apply:**

- (a) The final fee for the prior written request was not more than 105% of the estimated fee.
- (b) The public records made available contained the information being sought in the prior written request and are still in MCC's possession.
- (c) The public records were made available to the individual, subject to payment, within the best effort estimated time frame given for the previous request.
- (d) Ninety (90) days have passed since MCC notified the individual in writing that the public records were available for pickup or mailing.
- (e) The individual is unable to show proof of prior payment to MCC.
- (f) MCC calculates a detailed itemization, as required under MCL 15.234, that is the basis for the current written request's increased estimated fee deposit.

MCC can no longer require an increased estimated fee deposit from an individual if ANY of the following apply:

- (a) The individual is able to show proof of prior payment in full to MCC, **OR**
- (b) MCC is subsequently paid in full for the applicable prior written request, **OR**
- (c) Three hundred sixty-five (365) days have passed since the individual made the written request for which full payment was not remitted to MCC.
