ENGRAVED BRICKS TO STRENGTHEN MCC

Mott Community College was established in 1923 and has been the foundation for education in Genesee County ever since. For over 93 years, individuals have counted on MCC to provide them with just the right course, program, or experience to satisfy their unique needs.

A brick pathway outside of the Mott Library Building, will reflect the milestones of the College's history. Through this engraved brick program you can celebrate and honor someone who deserves your esteem with an eternal gift.

In addition to being a unique gift opportunity, proceeds from each brick will help strengthen The Foundation for MCC's Endowment Fund. Not only can you perpetuate your name or that of a loved one – but you can help to perpetuate educational opportunities for students at MCC. Become a part of the tradition and spirit that is uniquely Mott Community College.

Dear Friends,

This is an exciting time to be connected with Mott Community College!

The success of MCC is a testament to the tradition of leadership in our community. Together, let's celebrate the legacy of C.S. Mott. We encourage you to join in supporting The Foundation for MCC by participating in the Mott Commemorative Brick initiative. Purchasing an engraved brick will support the Foundation's Institutional Fund and celebrate, in perpetuity, those names inscribed in the courtyard.

The CS Mott Plaza is a dynamic symbol of MCC's commitment to the next century. This is truly a special opportunity to support MCC.

Cordially,

Commemorative Brick Order Form**

Clearly print one character in each box. Punctuation and spaces between letters count as characters. Engraved text will be centered automatically on brick. All messages are subject to approval by the FMCC and the organization reserves the right to refuse to engrave any message or material that it determines to be inappropriate. Once installed, bricks become property of the FMCC. Bricks will be placed randomly and purchasers may not select a specific location for their bricks. All commemorative brick purchases will support the Institutional Fund. Contributions are tax-deductible.
