The Mission Statement for Mott Community College

The mission of Mott Community College is to provide high quality, accessible and affordable educational opportunities and services including university transfer, technical and lifelong learning programs that promote individual development and improve the overall quality of life in a multicultural community.

The Mission Statement for The Foundation for Mott Community College

The Foundation for Mott Community College is a community based charitable organization whose major purpose is to acquire and distribute resources to the students, faculty and staff of Mott Community College, as it contributes to educational, literary, multicultural and financial efforts that advance excellence and richness to the community.

Joe Black, Chair, Board of Directors, Foundation for Mott Community College

I am so pleased to be working with Lennetta Coney in her efforts to raise money for people like “Janette,” the 18-year-old graduate of an inner city school, now enrolled at Mott. Lennetta's letter over the holidays describing her work on behalf of Mott touched my heart. Her 25 years of service to improve the lives of others was an inspiration to me—and I know to many, many others.

Lennetta Coney, President, Foundation for Mott Community College

People like Joe Black not only make my job easier, but they make it even more rewarding. Joe has volunteered countless hours to the Foundation for Mott Community College to ensure that our financial resources are being leveraged in the best possible way. He isn’t paid for this job. But Joe understands the need. Joe gets that this business is all about people. It’s all about the future. It’s about this community.

It is a delight to work with Joe and a dedicated board of 29 representatives and leaders from throughout Genesee County who give above and beyond what is expected or asked of them. I invite you to take a look at the Board photo enclosed within these pages to see the others who graciously volunteer their time and money to make Mott College the state-of-the-art academic institution that it is today.
The greater part of our efforts at the Foundation is about raising money to help sustain the mission of this truly outstanding educational institution. We really, really want you to see the impact our volunteers, our donors, our faculty and staff— all those associated with the College—are having on our students and on the greater Flint community. It goes so much further than maintaining the bricks and mortar of this now 90-year old institution. Most of these people are friends and family, they are the children of friends and family. MCC represents a huge portion of our lives.

Stories like our student “Janette” overcoming personal hardship to become active in the student body and do well in the classroom are what our efforts are all about. The air of confidence she exudes today is due to the people highlighted in this annual report. I urge you to read the names. I think they will make you as proud as we are. It’s heartwarming to see the impact and what can be done when good people come together on behalf of others.

We have seen thousands of lives that have gone from despair to hope with the gracious dollars our donors give on an annual basis. It’s about helping our sons and daughters, our brothers and sisters, our mothers and fathers. Far too many people in our region simply do not have the financial means to attend college without our support. It is an honor to help them.

Please consider additional ways you can help us have an even greater and more meaningful impact in the months and years to come. Would you be willing to join us in making an impact on our students at Mott College? In our community? I invite you to give and see the impact your gifts will make.

We are here in this community for a larger purpose. We believe we can change lives.

Please give and join us as we see the impact philanthropy can make in all of our lives.

Sincerely,

Lennetta Coney, President, Foundation for Mott Community College

Joe Black, Chair, FMCC Board
"I think MCC has a huge impact not just on the students, but on the community”

--THERESA STEPHENS-LOCK

Chief Lock sees her role at Mott as far more than providing outstanding protection for the campus community. Her vision for impacting the community extends a mile radius around the Flint campus into the neighborhoods where her sworn police officers regularly respond to emergency calls. Her professionally trained officers also serve on neighborhood committees as well as provide support for a wide variety of community events. Her impact and the impact of the Public Safety Department goes way beyond providing protection - together they provide an outstanding community service.
“I believe everyone can achieve what they want in life, but they have to have the tools and training to get there. Mott College provides those things and more.”

--ANTHONY F. ALEXANDER

Anthony sees his role as a change agent in a community that he loves. He also sees Mott as a change agent in the lives of students who attend. But his admiration for the college extends way beyond that, as he notes the outstanding success of Mott being selected as one of the top 10 colleges in the country, President M. Richard Shaink being named the top college President, and the Men's basketball team earning repeated championships in the nation. He is proud to see the nationwide impact that MCC is making.

THE IMPACT ALL OVER THE UNITED STATES

Anthony F. Alexander
PRESIDENT OF BRUIN CLUB OF GENESEE COUNTY
Booster organization responsible for raising thousands of dollars for Mott athletic programs. Mentor to young African American males.
Libby Maynard and Olof Karlstrom see education as having a lasting impact. Together they note the success of the students of Mott once they graduate. Many graduates have gone on to earn unprecedented personal and professional achievements that have truly made their communities a better place to live and do business.

“Mott’s impact on our community is great—both short term and long term. One of the best community colleges in the country.”

We make every effort to honor all of our generous contributions in an accurate and timely manner. However, even with modern technology, computer lists and electronic publishing, it is possible that some names have been inadvertently omitted or incorrectly published. If you notice a mistake, please accept our apology. Please also alert The Foundation for Mott Community College at 810.762.0425 or email foundation@mcc.edu so we can correct our records. Thank you!

Over the years, the FMCC has earnestly looked at maximizing portfolio growth. Standards dictate that all prudent foundations distribute at least 5% per annum as opposed to simply receiving gifts and investing assets. FMCC is striving to be that fourth funding stream** for its institutionally related charitable organization Mott Community College.

**College funding is based on: Property Taxes, State Funding, and Tuition
Each year, the Alumni Association of Mott Community College presents the Distinguished Alumni Awards. The recipients represent a select number of individuals who have proven to be an inspiration. Each have earned significant career and/or personal achievements, have had a long lasting affect on a business or community, and have demonstrated a visible commitment to the community. The recipients have attended Flint Junior College, Flint Community College, Genesee Community College, and/or Mott Community College. All of our honorees are selected by a committee comprised of community leaders, as well as college faculty and staff. Bestowing this recognition represents one of MCC’s most prestigious honors. Portraits are located in a permanent display in the Alumni Room, located in the Prahl College Center.

Do you know an MCC Alumnus who is deserving of being recognized as a Distinguished Alumnus?

Mott Community College’s Distinguished Alumni Award was established in 2002 for the purpose of recognizing truly outstanding women and men who have provided an inspirational impact to students and/or the community and for their significant contributions to career achievement and community service. By honoring our former students, we hope to inspire today’s students to strive for both personal and professional success.

MCC DISTINGUISHED ALUMNI NOMINATION CRITERIA:

Distinguished MCC Alumni nominees should be individuals who have attended Flint Junior College, Flint Community College, Genesee Community College, and/or Mott Community College. The nominees will be judged on the following criteria:

ROLE MODEL – Inspiring excellence in others.
OUTSTANDING SUCCESS – Significant career or personal achievements.
IMPACT – Accomplishments which have changed the community for the better.
COMMUNITY SERVICE – Demonstration of a visible commitment to the community.

Nominations must be submitted to The Foundation for MCC by November 1, 2013. Nomination forms are available online at www.mcc.edu/alumni/alumni_award.shtml. For further information, please call (810) 762-0425.
