ABOUT THE FOUNDATION

The Foundation for Mott Community College (FMCC) is the fundraising operation which promotes higher education at MCC. The Foundation’s purpose is to assist students with scholarships, promote special projects at the college, and enhance the quality of education and opportunity in this community. This charitable arm of MCC supports 191 scholarships and designated funds and 93 endowment funds.

The Mission of Mott Community College
Our mission is to provide high-quality, accessible, and affordable educational opportunities and services including university transfer, technical, and lifelong learning programs that promote individual development and improve the overall quality of life in a multicultural community.

The Mission of The Foundation for Mott Community College
The Foundation is a community based charitable organization whose major purpose is to acquire and distribute resources to the students, faculty, and staff of Mott Community College, as it contributes to educational, literary, multicultural, and financial efforts that advance excellence and richness to the community.

The Foundation:
♦ Provides funding to keep tuition low for all students
♦ Provides for scholarships and grants to deserving students
♦ Funds special projects involving economic development, education, and training
♦ Strengthens existing educational programs
♦ Promotes professional development for faculty and staff
♦ Promotes educational, literary, and scientific activities of MCC
♦ Encourages greater community involvement
♦ Helps MCC to help itself
If you want to go fast, go alone. If you want to go far, go together.

—African proverb

In an effort to show the community that we ourselves believe in the mission of this college, The Foundation for MCC launched the 2015-16 Employee Giving Campaign We are 1 this Fall.

The employees featured throughout this Annual Report have shown their commitment to MCC by giving to the college, and we want you to join us. We’re looking to forge a partnership with the community at large with this united college campaign.

A single gift, combined with others, can have an enormous impact, and every gift is vital to the future of this college. You’re sending a powerful message when you stand with us, presenting a united front in support of Mott Community College.

Together, we can make a difference.

MCC is a diverse institution, with seven academic divisions, continuing education for non-credit learning, and many other programs and services.
DEAR FRIENDS

We are pleased to share with you the 2015 Annual Report of The Foundation for Mott Community College. For more than 90 years now, MCC has thrived on a tradition of excellence, reaching out to create opportunity for all. As a valued member of this great community, you know MCC continues to make a difference in students’ lives. We are indeed making a tremendous impact!

You’ve probably heard stories about how one person can make a big difference, in his or her own small way. Whenever we reach out a hand to help someone, and that person pays it forward, we can positively influence the condition of so many more people. Yes, the power of one is amazing, and now The FMCC has an excellent opportunity to capitalize on that sentiment.

This year we launched We are 1, the MCC 2015-16 employee giving campaign in an effort to urge every employee to make a gift of any amount. We want to show the community that we believe in MCC, that we are united, that we truly are one! We’re aiming for 100 percent participation because we know that sends a powerful message: charity most certainly begins at home. To date, MCC employees are steadily making contributions, even during these tough times: they’re passionate about supporting the college.

Every single gift to The Foundation for MCC helps the college reach its goals by serving the entire campus community. We realize you’re being asked to make donations to so many different causes, but you are truly making a difference when you give to MCC. Your generosity is, first of all, sincerely appreciated. Secondly, your gift really matters. When you give to MCC you can immediately witness the rewards of your giving: you change lives, you improve lives, you impact lives—and everyone benefits!

In these uncertain times, the need is great for many of our students and their families. We need your support, now more than ever. Please remember this: every gift is vital; every gift is significant. So, please give as your heart dictates. As always, your support is greatly appreciated.

Sincerely,

Lennetta B. Coney

Lennetta B. Coney, President
The Foundation for Mott Community College
When you give to MCC you can immediately witness the rewards of your giving: you change lives, you improve lives, you impact lives—and everyone benefits!

James Truesdell III
On May 2, 2015, I presided over my first graduation ceremony as president of Mott Community College. As the graduates crossed the stage to receive their diplomas, I thought about how each one represents a unique story of achievement and triumph. And the fact that they chose Mott as their pathway to excellence did not get lost in translation!

While I am proud of our graduates and current students, I am equally proud of MCC employees who have devoted their professional lives to preparing students and supporting the college. It’s been a little more than a year now since I became president — and what a wonderful year it’s been. My Mott College family welcomed me with open arms at the start of my journey here. I realized then that we are family, that truly, we are one.

In September, The Foundation for Mott Community College launched our 2015-16 employee giving campaign: We Are 1! The goal of this campaign is 100% participation. I’ve encouraged employees to imagine the impact of absolutely everyone giving, to consider how their gifts can create opportunities, impact lives, and inspire hope. Every gift matters, every gift counts, no gift is too small. We want faculty, staff, and students to recognize the value inherent in every gift and how important it is for our community to see that we all stand firmly behind the mission of this college: providing high quality, accessible, and affordable educational opportunities and services to the region.

Our employees believe in the mission of this college and they are demonstrating that every day. We’re asking you to join them by continuing to support MCC. Our college has benefited immensely from the ongoing support provided by generous people like you — the vast number of individuals, families, companies and institutions listed in this annual report. MCC simply cannot carry out its mission and arrive at our preferred future as a college without your commitment.

Your gifts have instilled hope and ensured positive outcomes for countless students. Many of them are on their way to leading productive lives — pursuing further academic ventures, embarking on successful careers, and even giving back to the community that nurtured them — thanks to all of you.

I hope you will remain committed to spurring students on to their pathway of excellence at MCC, and beyond. Your gifts clearly demonstrate that you believe in Mott Community College. This gives me boundless hope for our future.

Thank you, again, for your staunch commitment to MCC.

Looking forward,

Beverly Walker-Griffiea, Ph.D., President
COMMUNITY PHILANTHROPISTS PROVIDE STRONG SUPPORT TO MOTT CAMPUS COMMUNITY

Judge Thomas and Magdalene Yeotis
Judge Thomas and Magdalene Yeotis know the value of education, and have demonstrated a strong commitment to Mott Community College through their ongoing support.

With decades of service and philanthropic efforts under their belt, from the athletics arena to college programs to various community pursuits, the Yeotis legacy has been laid down for others to follow. As ardent supporters, they know how philanthropy and service go hand in hand, that they are powerful ways to advance a community.

Yeotis, a retired Genesee County Circuit Court Judge, has made an indelible mark on the college and in the community. Having served on The Foundation for Mott Community College and the MCC Alumni Association board of directors for many years, this proud MCC alumnus and former MCC basketball player is one of the founding members of New Paths. Located in Flint, New Paths was established in 1979 to serve as a cost-effective alternative for jail—or prison-bound adults with non-violent offenses.

Judge Yeotis received one of the community’s highest honors, the C.S. Mott Citizen of the Year by the Flint & Genesee Chamber of Commerce in 2001. The C.S. Mott Citizen of the Year Award honors an individual who exemplifies the entrepreneurial spirit of the man for whom the award was named, Charles Stewart Mott, and who has had significant impact on the community and its citizens. In 2004, he received MCC’s most prestigious honor, the Distinguished Alumni Award, which recognizes outstanding men and women for their career achievement and significant contributions to the community.

“So much has been given to me—‘To whom much is given, much is required,’” said Judge Yeotis. “That’s why it’s so important for me to support our schools and our community.”
HIDDEN GEM FOR STUDENTS AND COMMUNITY: Transitions School of Cosmetology Careers
It is, perhaps, one of the best kept secrets in our community: a full service beauty salon and spa, right here on the Mott Community College main campus in Flint.

Open to all students, the campus community and the general public, MCC’s Transitions School of Cosmetology Careers takes pride in providing a high-quality, state-licensed educational program to students, as well as offering a broad range of services to clients. All services are performed by senior students under the supervision of licensed, professional cosmetology, esthetic, and nail technology instructors. MCC Cosmetology students have an opportunity to sharpen their skills, utilizing the latest trends and products for designing hairstyles, skin treatments and care for fingernails, hands and feet. They provide the most sought-after treatments at a fraction of the cost of traditional salons, all under the supervision of our highly-qualified instructors.

MCC’s programs provide the specialized instruction necessary for students to pass Michigan’s State Board Licensing Exams, preparing students to pursue a variety of career options in today’s cosmetology world—from Platform Artist to Hairdresser to Salon Owner.

A wide variety of cosmetology careers are available for students to pursue after earning degrees or certificates. According to the U.S. Department of Labor, the demand for hairdressers, hairstylists, cosmetologists, and skin care specialists (all known as personal appearance workers) is projected to grow. The job growth is expected to rise at a rate of 13% through 2022, according to the Bureau of Labor Statistics (2015).

That’s music to Carol Nielsen’s ears, Transitions Coordinator/Professor. So, what sets MCC’s cosmetology school apart from so many the others in the area? The emphasis on quality education for students makes the difference.

“Education is our top priority,” Nielsen said. “Our instructors are teachers with degrees. The majority of them still work in salons, and even own their own salons. Every one of our instructors comes to us with at least 15 years of experience.”

Students who graduate from Transitions are equipped with the knowledge and experience to successfully pass the state board exams and to provide all types of services in today’s industry. And as a result, students leave MCC’s cosmetology programs armed with the tools and certification, preparing them to assume roles in employment at entry-level with the potential for future advancement through continuing education and practical experience.

“Our facilities are outstanding, we have up-to-date labs and facilities, and currently, we’re the only school in Genesee County that offers an esthetician class,” Nielsen added.
CREATING A LEGACY
James Drummond knows the value of a good education—so did his beloved wife, Alla. Jim Drummond, a former MCC administrator and professor, decided to honor his wife in a way that he knew would please her. He recently established a $15,000 fund in her name, the Alla Operenko-Drummond Scholarship Endowment.

Alla Operenko grew up in Minsk, Belarus where she attended college and eventually completed the Russian equivalent of a Ph.D. in English. She then began a successful teaching and research career at The Belarusian State University (BSU). In 1991, she visited the USA and met with a group of Central Michigan University students who had been hosted by the BSU three months earlier. One of those students was Rebecca George, who introduced Alla to her father, James Drummond, a widower and professor at MCC. Three years later they married. Soon after, she began tutoring and then teaching foreign language and English as a Second Language (ESL).

She worked for more than 10 years at MCC before being diagnosed with cancer. She passed away in 2010.

This scholarship is meant to honor her memory by providing assistance to students who are studying in fields of ESL or foreign language. Jim Drummond chose to make this gift to acknowledge the importance of education and Alla’s life work in the ESL arena. Special emphasis will be given to individuals who are non-native speakers of English and/or a foreign language student, even if his or her native language is English.

Several years ago, a similar scholarship endowment, the Kathleen Drummond Scholarship to commemorate the life of his first wife, “Kate,” was established to assist women in achieving their educational goals. She was killed in an automobile accident in March 1991. This scholarship is awarded on a financial need basis to a female student who is 30 years of age or older with children.

The Foundation for MCC is deeply grateful to the generosity displayed by the Drummond family. If you’re interested in creating a specific fund to memorialize or pay tribute to a loved one or friend, there are many ways to set up a fund at MCC. You may create an endowment, a designated fund or a pass-through fund. If you would like to contribute to the fund that Jim Drummond has established or create your own, please contact us at (810) 762-0425.
In these uncertain times, the need is great for many of our students and their families. We need your support, now more than ever.

Mary Cusack

We make every effort to honor all of our generous contributions in an accurate and timely manner. However, even with modern technology, computer lists and electronic publishing, it is possible that some names have been inadvertently omitted or incorrectly published. If you notice a mistake, please accept our apology. Please also alert The Foundation for Mott Community College at 810.762.0425 or email foundation@mcc.edu so we may correct our records. Thank you!
The Heritage Society recognizes donors who contribute documented planned gifts to Mott Community College with the intent of building a legacy for Mott’s continued success.

- $37,647 The Flint River Farm
ALUMNI AWARDS

Each year, the Alumni Association of Mott Community College presents the Distinguished Alumni Awards. The recipients represent a select number of individuals who have proven to be an inspiration. They have earned significant career and/or personal achievements, have had a long lasting effect on a business or community, and have demonstrated a visible commitment to the community. The recipients have attended Flint Junior College, Flint Junior Community College, Flint Community College, Genesee Community College, and/or Mott Community College. All of our honorees are selected by a committee comprised of community leaders, as well as college faculty and staff. Bestowing this recognition represents one of MCC’s most prestigious honors. Portraits are located in a permanent display in the Alumni Room, located in the Prahl College Center.

Awardees of the Distinguished Alumni Award and Outstanding Retiree awards, past and present, were photographed, along with MCC President Beverly Walker-Griffea (pink suit) and FMCC President Lennetta Coney, during the 2015 Distinguished Award Ceremony held on Oct. 8, 2015.
Mott Community College’s Distinguished Alumni Award was established in 2002 for the purpose of recognizing truly outstanding women and men who have provided an inspirational impact to students and/or the community and for their significant contributions to career achievement and community service. By honoring our former students, we hope to inspire today’s students to strive for both personal and professional success.

MCC DISTINGUISHED ALUMNI NOMINATION CRITERIA:

Distinguished MCC Alumni nominees should be individuals who have attended Flint Junior College, Flint Junior Community College, Flint Community College, Genesee Community College, and/or Mott Community College. The nominees will be judged on the following criteria.

**ROLE MODEL** - Inspiring excellence in others.

**OUTSTANDING SUCCESS** - Significant career or personal achievements.

**IMPACT** - Accomplishments, which have changed the community for the better.

**COMMUNITY SERVICE** - Demonstration of a visible commitment to the community.

DO YOU KNOW AN MCC ALUMNUS WHO IS DESERVING OF BEING RECOGNIZED FOR THE DISTINGUISHED ALUMNI AWARDS?

Recipient of the Honorary Alumni Award

Recipient of the Presidential Citation

*Deceased

2016 Nominations must be submitted to The Foundation for MCC by April 30, 2016. For a nomination form or for further information, please call (810) 762-0425. Nomination forms are also available online at: www.mcc.edu/alumni/alumni_award.html
Representatives with the Genesee, Lapeer, Shiawassee (GLS) Building Trades Council were on hand to announce recipients of a scholarship the group sponsors at Mott Community College during a press conference at General Motors’ new paint shop, located at the GM Flint Assembly in Flint.

Lindsey White addresses the media and thanks the GLS Building Trades Council for the scholarship she received.

Dale K. Weighill (Associate Vice President for Institutional Advancement) and Dr. Beverly Walker-Griffea (MCC President) present an achievement certificate at the Welcome Back Breakfast for employees in September 2015.
