MATCHING GIFTS

Many employers will match the gifts of their employees (and often their spouses) for charitable gifts to an educational institution. If you know your employer has a Matching Gift Program, please obtain a Matching Gift Form from your employer's personnel office and submit it with your gift. In most cases, your employer will match the gift on a one-to-one ratio, enabling you to double or triple your gift to Mott Community College. If you need assistance in determining the matching gift policies of your employer, please contact the Foundation for Mott Community College.

Thank you for your support by Leaving a Legacy of Education to Mott Community College.

Please fill out form and include in the provided giving envelope with your donation.
