The Foundation is a non-profit corporation governed by a board of community volunteers. It is tax-exempt and the Internal Revenue Service has ruled that gifts to the Foundation are tax-deductible income.

The Foundation exists to provide greater opportunities than would be available solely from traditional income sources. Projects funded include, but are not limited to:

- scholarships and grants for deserving students
- economic development, education and training
- strengthening and developing educational programs
- professional development for faculty and staff
- educational, literary and scientific activities at MCC
- greater community involvement
- helping MCC to help itself
