PUERTO RICO MAY 7-13 2023

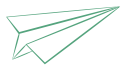

Be a force of change for a better world through MCC's Student Service Abroad 2023.

The Service Abroad program at MCC provides you with the opportunity to immerse in other cultures and share in a global understanding of other people and places as you serve in their communities.

This year you can join a passionate team of MCC students as a volunteer with SBP Puerto Rico, to support their mission to rebuild homes for needy families after disasters and shrink the time between disaster and recover.

Interested students must submit an application by November 30. Scholarships toward the costs are available for each student who is accepted. Space is limited and final selection will be based on the qualifications of the applicants. The total cost of \$1500 will include airfare, accommodations, meals, transportation and cultural activities characteristic to the locale.
