FROM THE DESK of
Thomas Saelens, Site Manager

I would like to take this time to welcome each of you to our Spring Semester at the Northern Tier Center of Mott Community College. Spring and Summer semesters are very helpful for students if they stay focused. Most classes during Spring and Summer only last 7.5 weeks versus the 15 weeks for the Fall and Winter semesters. The Spring and Summer semesters are accelerated where you can complete classes very fast, but you can also fall behind very fast.

I would like to offer some advice for success during the Spring and Summer:

- Read your course syllabus. This helps you understand what is expected, how grades are determined, when assignments are due, and if assignments can be made up when missed.
- Attend every class…missing one class can have a major impact on your grade and success rate.
- Introduce yourself to your instructor. Communicate with them on a regular basis if you need help. Do not wait until the last minute and expect the instructor to solve five weeks of issues in one hour.
- Make a friend in class. They can help you keep focused and on track. If you don’t understand the material, two brains can be better than one.
- Keep on top of your material and try not to fall behind. It is better to read ahead and stay one step ahead of the instructor in case you do run into unexpected problems.

As the Site Manager, my staff and I are eager to assist with any issues or services you may need. I am proud of the NTC location and we hope you will look for classes to take in the Summer and Fall at NTC. Remember:

- Summer and Fall semester registration is currently open. Visit with a counselor, Advisor or myself if you need help choosing classes.
- You can register for Summer or Fall without any payment or FAFSA completion required, but remember you should file your FAFSA as soon as possible to secure your funds.
- File your 2014-15 FAFSA (Free Application for Federal Student Aid) as soon as you have your 2013 income information available. This new financial aid will be used for Summer & Fall semesters of 2014. Completing the FAFSA form early is your best chance to maximize your financial aid award and limit any obstacles.

I hope to see you continue your success at MCC and the Northern Tier Center. Thank you for making our site a success in the community.

The Writing Center will be opening for the Spring 2014 semester on Monday, May 12, 2014.

The Writing Center is a support service for students with writing assignments in any class. Writing Center Consultants can help you out at all stages of your writing process, including understanding the assignment, finding research opportunities, developing and clarifying your papers, understanding specific grammatical and mechanical confusions, and formatting your document and documentation pages. The Center also includes 17 computer stations for research and composition.

All consulting services are FREE and are available by appointments. Computers and other resources are available on a first-come, first-serve basis. Appointments for consultations can be made by calling (810) 762-0229, or by dropping by CM-2031, during any of our regular hours.

In an effort to promote a healthier environment, Mott Community College is following a growing college trend by implementing a smoke-free and tobacco-free policy through the entire college system. **Effective September 4, 2012 the use of all tobacco products on the Campuses of Mott Community College is prohibited.** This prohibition also includes e-cigarettes and medical marijuana. **The only place you can use tobacco products is in your privately owned vehicle. Please see the Michigan smoke free law at [www.michigan.gov/smokefree](http://www.michigan.gov/smokefree).**

Mott Community College initiated the no-smoking policy with Northern Tier Center, located at 4092 W Vienna Road in Clifton on **January 1, 2011** and moved forward with the process, extending the ban to MCC Lapeer Extension Center, located at 550 Lake Drive in Lapeer, the Southern Lakes Branch Center, located at 2100 W. Thompson Road in Fenton and the Livingston Center, located at 1240 Packard Drive in Howell, effective January 1, 2012.
Teaching Your Children How to Call for Help

Teach your children how to call for HELP in case of an emergency. They should call 911 if you live in a 911 service area. If not, check the telephone directory for local emergency numbers. Post the numbers near the telephone, clearly visible to children. Posting numbers of neighbors or relatives is not only important to your child but also responding emergency personnel in case you are unable to speak. Prepare a family plan and discuss what your child should do in case of an emergency. Even very young children can learn how and when to call for emergency assistance.

“The harsh winter may mean more potholes and payment cracks than we’ve ever seen in Michigan. Spring brings the potholes season. Hitting one can be both dangerous and expensive for motorists, and locating them all can be expensive for us. So, when motorists report a pothole, they save us money, and we will fix it fast, saving motorist money.”

Camp Director
Steve Schmidt

Steve Schmidt, who recently completed his 23rd season as Mott’s head coach, has over 30 years of camp experience. Mott has established itself as one of the premier basketball programs in the Country. Mott has now won an unprecedented four National Championships in the past 11 seasons. Mott has a 629-134 overall record during Schmidt’s tenure along with 19 consecutive seasons of 25 wins or more.

Coach Schmidt has recruited and developed 18 players who have earned All-American recognition and over 80 of his former players have earned scholarships to continue their careers at four year colleges and universities.

Schmidt’s tireless and enthusiastic approach provides for an excellent atmosphere for a successful summer basketball program. Individual skill development and fundamental drills worked on during the camp are the same drills that are used in the successful Mott program.

CAMP INSTRUCTORS will include current and former Mott players and staff.

NO EXCUSES!

Coach Schmidt developed this concept as an avenue to eliminate “excuse making.” You will be able to attain goals through determination, hard work and the ability to stay focused. Our objective is to replace taking the easy way out with simply outworking the people we are competing against.
