The holiday season is one of thanksgiving, warm festivities, family, friends, and unfortunately sometimes stress. As a staff, everyone at the Northern Tier Center wants to help display a spirit that highlights the wonder and delight of this time of year. NTC instructors, counselors and staff can reach out and help you with many things, both on the academic side and sometimes on the more personal side. As the Site Director at the Northern Tier, I want to help each student be successful in life and in the classroom. I may not have the answer to every question but my staff and I enjoy helping…so do not hesitate to ask.

I want to share some tips on how MCC students can reduce stress. If you are taking classes in the Winter semester, PLEASE register before the MCC Holiday Break. The college will be closed from December 21, 2013 - January 1, 2014. We re-open on Jan. 2nd.

- **NTC Early Registration Prizes**: Anyone Registered for any NTC classes by or before 4:00 pm 12/20/2013 will be in the drawing for one of four prizes.
  - $100 bookstore Gift Card, MCC Sweatshirt, Restaurant Gift Card, MCC Shirt.
- **Winter means difficult weather** and this is a great time to take classes close to home. Review your class schedule to reduce your drive time for winter. Most general classes can be taken at the NTC/Clio site. See if NTC in Clio has classes that you need!
- **Qualified students may register on-line or in person at any campus location.** NTC and all campus locations will have Counseling hours to assist students with registration before and after the holiday break.
- **Make sure to check your financial aid status. December 16, 2013 is the payment deadline date. Students can register after this date but must secure a payment option at the time of registration. A MCC payment plan can secure your classes if your Financial Aid is being processed.

I have also provided a small incentive for those registering early. Anyone that registers by 4:00pm, Dec. 20, 2013 for any NTC classes will be part of the “NTC Early Registration” drawing. First Prize is a $100.00 gift card to the MCC Bookstore.

Below you will find suggestions for both our college transition and one for making your holiday less stressful.

**Semester Transition Tips**

Winter Semester 2014 begins on Sat. January 11, 2014

- Register for classes before the MCC Holiday Break. The college will be closed from December 21, 2013 - January 1, 2014. We re-open on Jan. 2nd.
- **NTC Early Registration Prizes**: Anyone Registered for any NTC classes by or before 4:00 pm 12/20/2013 will be in the drawing for one of four prizes.
- **$100 bookstore Gift Card, MCC Sweatshirt, Restaurant Gift Card, MCC Shirt.**
- Winter means difficult weather and this is a great time to take classes close to home. Review your class schedule to reduce your drive time for winter. Most general classes can be taken at the NTC/Clio site. See if NTC in Clio has classes that you need!
- **Qualified students may register on-line or in person at any campus location.** NTC and all campus locations will have Counseling hours to assist students with registration before and after the holiday break.
- **Make sure to check your financial aid status. December 16, 2013 is the payment deadline date. Students can register after this date but must secure a payment option at the time of registration. A MCC payment plan can secure your classes if your Financial Aid is being processed.**

If you need to drop a class for Fall semester, make sure you understand how it will affect your financial aid, tuition balances, and academic standing. You may speak with a Counselor for assistance.

**December 11, 2013** is the last day to drop a class and receive a “W”. The “W” on your record will not affect your G.P.A but it will be used for Financial Aid standards.
Holiday Stress Reduction Tips

- Get enough sleep.
- Try to give gifts that involve something more personal. Making a gift or doing something for someone is a wonderful present. It provides so much more meaning to the ones you care about.
- Shop during off hours when stores are not busy and do some shopping on-line. Using gift certificates can also reduce shopping time.
- Donate or purge unneeded decorations and clutter from your home.
- Set a budget for your holiday expenses.
- Set a deadline to have all your shopping completed which leaves you time to enjoy the days before the holiday.
- Prepare your family for the type of gifts you can afford. De-emphasize commercialism by donating time to a helpful cause or charity.
- Do not be afraid to accept help from others.
- Prepare some foods ahead of time and put them in the freezer.
- If you need help during for the holidays, there are many community resources. VFW, Salvation Army, and local Churches. Talk to someone if you need assistance.

The NTC staff and I hope that each of you will have a warm and wonderful holiday. We hope to see you continue your success at MCC and the Northern Tier Center in the 2014 Winter Semester.

Thomas Saelens

Northern Tier Center

Deadline Extended for Families to Apply for Salvation Army Help for Christmas Toys, Food and Clothing

Applicants MUST bring documentations when applying for assistance November 25 - 27 in downtown Flint.

A news release:

The Salvation Army will be taking applications for Christmas assistance from 9:00AM - 2:30PM Monday, November 25th through Wednesday, November 27th, for Fenton and other Genesee County residents.

Those in need of help with toys, food, and clothing for the holiday season may apply for assistance at The Salvation Army at 211 W. Kearsley Street in downtown Flint. An appointment is not needed.

The Salvation Army’s Christmas assistance program is intended to help those who would otherwise be unable to celebrate Christmas. To sign up for help, applicants MUST bring the following documents:

- **Current ID for all adults in the household** - Social Security
- **Proof of dependents in the home** - Birth Certificates and Social Security cards or a print out from the Social Security office dated within 30 days. (Must be parent or provide proof of legal guardianship).
- **Current bills** - Bills MUST contain the name and address of the individual applying for assistance. Current bills include rent, mortgage, water, gas, electric, phone, cable, etc.
- **Proof of Income** - Pay stubs, child support statements, Social Security, SSI, SSDI, DHS statements, unemployment/worker’s comp, etc.

The documents listed above MUST be present at the time of application. For more information, please contact The Salvation Army at (810) 232-2196.

**Place you Cash Card into the system to use the printer**
Hello,

I am Officer John F. Keahey; I've been a police officer for nearly 26 years and retired from the Flint Police Department in May of 2009. During my career I've worked in many different areas of Law Enforcement including: Special Operations Bureau, FBI Safe Streets Task Force, Investigations (Internal Affairs), and Interim Chief of Police.

After a VERY SHORT retirement I started working for Mott Public Safety in September of 2009. I've spent the last few years working at Main Campus, Work Force Development Center and with high school students as the School Resource Officer for Mott Middle College. I really enjoy working here at Mott Community College and consider myself very fortunate to have met so many wonderful people the past few years.

Miguel Gatica, is a certified police officer with 24 years of Law Enforcement experience. He retired from the Flint Police Department in June 2009.

Officer Gatica has been with the Mott Community College since September 2010 where he was assigned to work at the Southern Lakes Branch Center. He was assigned to work at the Northern Tier Center winter semester 2012.

Their work schedules are (Monday-Friday) 7:30 am -3:30 pm and 3:00 pm - 9:30 pm and his office is located in Room 109 across the hall of the Computer Lab.

If you have any questions or issues please, feel free to contact us at (810) 232-4339 or Room 109.

What should I do if someone has stolen or scammed my personal information or identification documents?

If your information or identification documents were stolen or scammed, you have an opportunity to prevent the misuse of that information if you can take action quickly.

- For financial account information such as credit card or bank account information: Close those accounts immediately. When you open new ones, place passwords on these accounts. Avoid using your mother's maiden name, your birth date, the last four digits of your SSN or your phone number, or a series of consecutive numbers.

- For SSNs call the toll-free fraud number of any one of the three major credit bureaus and place a fraud alert on your credit reports. This can help prevent an identity thief from opening new credit accounts in your name.

- To replace a SSN card call the Social Security Administration at 1-800-772-1213 to get a replacement.

For driver's license or other identification documents contact the issuing agency. Follow their procedures to place fraud flags and to get replacements.

Once you have taken these precautions, there really isn't anything more you need to do except to check for the signs that your information is being misused. You don't have to file an identity theft report with the police until you find out if your information is actually being misused. If another crime was committed, such as theft of your purse or wallet or your house or car was broken into, report that crime to the police.
ATTENTION STUDENTS!!!

Curriculum Changes

In MATH

In order to provide different math alternatives for students based in their program of study, the Math Department has developed pathways of courses. Students should ALWAYS consult with an advisor or that they take the appropriate courses for their degree.

The following examples demonstrate potential options with the new curriculum:

If you are planning to transfer to a four year institution studying in the STEM (Science, Technology, Engineering, Math) fields, you will likely need College Algebra - Math-130. If you do not place into College Algebra, the classes leading to it include Intermediate Algebra - Math-120, Beginning Algebra - Math-082 and Basic Mathematics - Math-021.

If you are planning to transfer to a four year institution studying in non-STEM or liberal arts fields,

A math option would be to take Probability and Statistics - Math-150. If you do not place into Statistics, the classes leading to include Intermediate Algebra and Statistics - Math-115, Applications Based Mathematics - Math-072, and Basic Mathematics - Math-021.

If you are working on a technical degree (please review your program requirements), you may choose Technical Mathematics - Math-128. If you do not place into this class, the classes leading to it include Beginning Algebra - Math-082, and Basic Mathematics - Math-021.

Math Requirements for General Education

In order to meet the general education requirements for MCC in math, you must complete a 100 level math course or place into MATH-120 or higher. Beginning Algebra is no longer a 100 level course as of July 1, 2012.
As part of our on-going commitment to student success, all MCC courses now have a reading prerequisite. If you place into READ 016 or READ 030, please do not put off taking this course. You will be able to register for other courses, but depending on your field of study, courses may be limited until you complete the Reading class successfully.

Contact an advisor for assistance. Accelerated classes listed below may be a good option for you.

New ways to accelerate your completion of Reading & Writing requirements.

Two Different Options - See descriptions below and discuss them with your Advisor

Academic Literacy
ACLT (Academic Literacy) integrated reading and writing into a single courses to provide a strong foundation for college success. Students who successfully complete ACLT-075 or 076 will be prepared to enter ENGL-101 and courses that require college level reading.
ACLT-075 requires Placement into ENGL-098 or above and Reading 016 or above.
Themes:
ACLT-075-01 21st-Century Controversies • ACLT-075-02 The American Dream • ACLT-075-03 Careers
ACLT-076 requires placement into ENGL-099 and RDNG-030. Theme: Strategies for College Success.

Note: These are accelerated classes and requires a student commitment to working at a faster pace than traditional courses.

The Accelerated Learning Program (ALP) allows students to enroll in ENGL-099-ALP, which is paired with an ENGL-101 section that meets on the same days with the same instructor. Students must enroll in both ENGL-099 ALP and its required and specifically designated ENGL-101 section. To be eligible to enroll in these course, students must:

- Have been recommended for ENGL-099 based on the MCC Placement test OR
- Have successfully completed either ENGL-095 or ENGL-098, with a score of S9

Students meeting one of the above criteria can choose to enroll in an ENGL-099-ALP section that will support the work done in ENGL-101 in a smaller, personalized learning environment. This accelerated format allows students to complete the necessary development course (ENGL-099) while at the same time earning credit for ENGL-101, which is required for graduation.

Winter semester ENGL-099-ALP sections:
ENGL-099-ALP04 • ENGL-099-ALP14 • ENGL-099-ALP30

Note: These are accelerated classes and require a student’s commitment to working at a faster pace than traditional courses.
Severe Weather Alerts
Announcements are made on the Local Radio & TV Stations.
