Accreditation Cycle

MCC is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools through 2018-2019.

“The Academic Quality Improvement program (AQIP) is one of several pathways leading to reaffirmation of accreditation with the Higher Learning Commission. AQIP differs from the other pathways in that it is premised on principles of continuous quality improvement, and its various processes and requirements are designed to assist institutions in achieving quality improvement, along with reaffirming the institution’s accredited status with the Commission once every AQIP cycle.”
