2018 Annual Security Report

In 1990, Congress enacted the Crime Awareness and Campus Security Act that is now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The “Clery Act” is named in memory of 19-year-old university freshman Jeanne Clery. Clery was raped and murdered while asleep in her residence hall room in 1986. Her parents discovered that students hadn’t been told about 38 violent crimes on their daughter’s campus in the three years before her murder. They joined with other campus crime victims and persuaded Congress to enact this law.

Compliance with the Clery Act requires Mott Community College to provide timely notification to the campus community of certain crimes or incidents that are:

- ◆ reported to campus security authorities or local police agencies, and
- ◆ considered by the institution to represent a serious or continuing threat to students and employees.

The Act also requires that we collect, maintain and disclose campus crime statistics. You can find these statistics in the Annual Security Report (ASR). The ASR can be found online on the Department of Public Safety webpage at www.mcc.edu or ask any of your Public Safety officers and representatives for a hard copy. We’ll be glad to give you a copy! The Annual Security Report also contains information about many of the Public Safety programs and initiatives. Get your copy today!
