Department of Public Safety

Preparedness—A United Endeavor

The MCC Department of Public Safety’s number one priority is the safety of our students, faculty, staff, guests and visitors. We work diligently to bring you an array of services and resources to invest in your safety. Preparedness is a great way to invest in and be a participant in your safety. Through preparedness we can reduce stress, anxiety, panic and chaos while increasing the chance to save lives, save time determining a course of action, build capability and learn and practice option-based reactions such as “Run, Hide, Fight”.

The entire Department consistently participates in Active Assailant training. Several of our officers are specially trained and certified in the instruction of Active Assailant Preparedness and Response. This instruction is provided to the MCC Community many times throughout the year and always during Emergency Preparedness Week. Emergency Preparedness Week is held the 3rd week of the Fall and Winter semester. Additional training requests for specific groups are welcome. Comprehensive information can be found on our webpage at www.mcc.edu/campus-safety/cs_active-shooter.shtml. Also found on the webpage is our Annual Security Report that contains information and you can always give us a call anytime at (810) 762-0222.

Visit www.Ready.gov to explore the appropriate response to various types of emergencies, making a family emergency plan, building an emergency kit and taking action to prepare.

Consider how your plan plays a role in all aspects of your environment; work, home and out and about. Get started on your plan today!

Emergency Kit Contents

To get started on a kit:

- Water
- Non-perishable food
- Weather radio
- Batteries for the radio
- Flashlight
- First Aid kit
- Towelettes, garbage bags and ties
- Wrench or pliers
- Blanket
- Duct tape
- Dust mask
- Paper plates, utensils
- Can opener (manual)

Sunday, March 11th

RAVE GUARDIAN

Rave Guardian is a free app that is designed to improve your safety. It allows you build a safety network of friends and family who can look out for you when you need them.

Features

Virtual Monitoring

Through the Rave App you can have a member of your network monitor you for a specified amount of time--for example, they can virtually walk you to your car here on campus, or anywhere--and call 911 for you if you need help.

Communication with Your Network and 911

You can instantly contact a member of your network to ask for help or to check on them, and you can contact the MCC Public Safety or the local 911 Emergency Dispatch.

Get the App

Search for the Rave Guardian app in the Apple App Store or the Google Play Store. Once installed, you will need to accept the location services and push notifications.

In the app, select **"I am with a school,"** sign up using your MCC email address, and complete the app setup.

As an affirmative action/equal opportunity institution, the College encourages diversity and provides equal opportunity in education, employment, all of its programs, and the use of its facilities. The College does not discriminate in educational or employment opportunities or practices on the basis of race, sex, color, religion, gender, national origin, veteran's status, age, disability unrelated to an individual's ability to perform adequately, sexual orientation, or any other characteristic protected by law.
