

Calculator Policy: Mathematics Courses

Calculators are **NOT** allowed and will not be required for the following courses: **MATH-011** and **MATH-082**.

Math-021: A **scientific** calculator is **required** for this course. However, calculators will only be allowed for specific topics: **Chapters 7 thru 10**.

The **TI-30XS MultiView** or equivalent is recommended.

MATH-072, MATH-115 and MATH-128: A **scientific** calculator is **required** for these courses.

The **TI-30XS MultiView** or equivalent is recommended.

MATH-120 and MATH-123: A **scientific** calculator is **required** for this course. However, calculators will only be allowed for specific topics: **Graphing quadratic functions; exponential and logarithmic functions**.

The **TI-30XS MultiView** or equivalent is recommended.

A student who already has a **TI-83** or **TI-84** platform graphing calculator may use the calculator with the permission of the instructor.

MATH-130 through MATH-280: A graphing calculator is **required** for these courses.

The **TI-83** or **TI-84** platform graphing calculator or equivalent is recommended.

Calculators that perform symbolic algebraic manipulations (CAS), such as TI-Nspire with CAS, TI-89 or TI-92, are not allowed in any course.
