

# MCC STEM SCHOLARS

## Letter of Recommendation Form

The National Science Foundation (NSF) has awarded MCC grants for scholarships and/or transfer preparation programming (including mentoring, tutoring, campus visits, funded research opportunities) to students majoring in STEM fields (Science, Technology, Engineering, or Math). Programs and/or awards are designed to recruit, retain, and increase the number of students who earn degrees in STEM fields, particularly those from populations underrepresented in STEM fields and those with demonstrated financial need.

**To the endorser:** Please complete this form as your letter of recommendation (**Required**). You may submit an additional letter of recommendation using your schools or organizations official letterhead (**Optional**).
