

# How to prepare a Deposit

In order to make a deposit, you must have the following items:

- A deposit book
- A deposit bag
- An Account Number
- A Club Deposit Form

If you are lacking any of these items, they are available in the Student Life Office, with the exception of the Club Deposit Form which is available online. Anyone in your club can make a deposit, but it must be verified by the Club Treasurer. All checks must be marked on the back - "For Deposit Only". A copy of all items must be given to the Club Treasurer for the club files.

If the deposit is from a cash/check donation - the Advisor is responsible for accepting the donation, giving a receipt to the donor and depositing the funds.
