Program Announcements

Summer Youth Initiative (SYI) Program helps participating teens, ages 14-18 and currently in grades 9th-12th, prepare for and connect with job opportunities in a number of fields. These include working in various fields from performing general office duties to assisting with beautification and gardening projects. Participants also take part in a community volunteer day as a part of the program. Parks and Campus Care Project-Kearsley Park is a collaborative effort between Mott Community College and the City of Flint Department of Parks and Recreation, designed to educate youth on various horticultural and environmental issues related to park/campus care and maintenance. This summer we were able to hire twelve youth employees at Mott Workforce Development. We were able to hire ten youth employees to work at Kearsley Park.

The Teen C.E.O. Program focuses on entrepreneurial skills, abilities and attitudes; and prepares participants for what is required to become a part of this new economy. This 7-week summer program provides Genesee County youth, ages 14-18, the opportunity to take a business idea and develop it into a business plan. The Teen C.E.O. Program is being held at the Mott Community College Regional Technology Center Building, Monday - Friday 8:30a.m - 3:00 p.m. Beginning on Monday, July, 2012.

Summertime Quotes

Ah, summer, what power you have to make us suffer and like it. ~Russel Baker

A life without love is like a year without summer. ~Swedish Proverb

One benefit of summer was that each day we had more light to read by. ~Jeannette Walls, The Glass Castle

Success Stories

The Job Development Specialists received the following thank you card:

I would like to take the time out to say thank you...Thank you for giving me and my family a chance to work in the Earn and Learn program. Thank you for helping this community, thank you for the chance to let our young people better themselves. I thank you for letting God use you the way that He has. Most of all I thank you for hope for young and old.

Sincerely,
Ingrid Ellies
